Our ref: OHS 531173 Extension

Dear Phil,

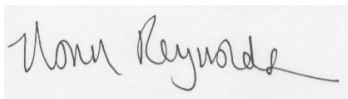

EXTENSION OF CERTIFICATE NUMBER OHS 531173

This letter confirms that the expiration date of certificate number OHS 531173 has been extended by 6 months to 9<sup>th</sup> March 2021 in accordance with BSI procedure "GP158 Business Continuity – Managing extraordinary events" and the guidance given in IAF ID3:2011.

BSI will review the ongoing situation regularly with you and work together to successfully complete your recertification as soon as conditions allow. Your new certificate dates will remain aligned with your existing certification cycle.
